## ATTENTION COMMUNITY UPDATE: Citywide Community Mobility – Sidewalks

On the Move! City of Mathis is proud to announce that the city's TxDot TA Call for Community Mobility Grant Application that was submitted this past February 2025 was recently selected this past week to move forward in the funding process. Its project mission is for the connectivity and mobility of the city's pedestrians through sidewalk placements. The project will fund the placement of new sidewalks throughout many streets of the city. Its curbs and gutter drainage will be helpful while the city continues to pursue the planning and resource obtainment for street improvements to enhance the ecstastic of sidewalks, as well as encouraging the citizens to become mobile and fit by walking to their local destinations. Sidewalks also improve the value of the neighborhoods. The City is ecstatic for the blessings of this afforded TxDot opportunity.
