

# Dental Plan Features

The Dental Plan helps you and your family with the cost of many dental services. Preventive care, such as routine checkups and cleanings, is covered at 100% with no deductible. You must first meet an annual deductible for basic and major services, and then the Plan pays a percentage of the cost for your dental care. It is always a good idea to ask for a pre-determination of costs for services over \$300.

**To receive the highest level of benefits, you should use a dental provider in the Humana PPO Plan.** You also have the option of using an out of network provider. To locate a network dentist refer to the online provider directory at [www.humana.com](http://www.humana.com) or call Customer Service at **1-877-877-1051** for assistance.
